Charging and Remissions Policy

Reviewed December 2023

Next review date December 2024

1. Introduction

1.1 The purpose of this policy is to ensure that there is clarity about the items which the school will provide free of charge and the items for which there may be a charge.

2. Definition

2.1 The school day is defined as: 8:50am to 3:10pm for Infants and 8.50am to 3.20pm for Juniors. The midday break does not form part of the school day.

3. Responsibilities

3.1 The Headteacher will ensure that staff are familiar with and correctly apply this policy.

3.2 The Governors will review this policy annually.

4. Policy statement

4.1 During the school day all activities and materials that are a necessary part of the National Curriculum plus religious education will be provided free of charge. This includes any materials, equipment and transport to take pupils between the school and the activity. It excludes charges made for teaching an individual pupil or groups of up to four pupils to play a musical instrument (see also section 9 below).

4.2 As a general rule, unless the teaching is an essential part of either the Early Years Foundation Stage Curriculum, National Curriculum or a public examination syllabus being followed by the pupil(s), we will make a charge.

4.3 Voluntary contributions will be sought for activities during the school day, which entail additional costs, for example school trips. In these circumstances no pupil will be prevented from participating because his/her parents/carers cannot or will not make a contribution. [If insufficient funds are available it may be necessary to curtail or cancel activities.]

4.4 From time to time we may invite a non-school based organisation to arrange an activity during the school day. The school may pass on a proportion or all of the costs of such events to parents.

5. Optional activities outside of the school day

5.1 We may charge for optional, extra activities provided outside of the school day, for example Cookery Club. Such activities are not part of the Early Years Foundation Stage Curriculum, National Curriculum or religious education nor are they part of an examination syllabus.

5.2 Where we wish to charge we will tell parents/carers in advance.

5.3 Where specific funding has been received to support particular activities we will subsidise the charge to the extent permitted by the funding.

6. Education partly during the school day

6.1 If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day. Conversely, if the greater proportion of time spent falls outside of the normal school day, charges will be made. When such activities are arranged parents will be told how the charges were calculated.

7. Residentials

7.1 Charges will be made for board and lodging, except for pupils whose parents are in receipt of free school meal funding.

7.2 Other charges will be made to cover the actual costs of any activities, as appropriate. In such cases parents are invited to ask if they wish to know how the charges were calculated.

8. Calculating charges

8.1 When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred divided by the total number of pupils participating. There will be no levy on those who can pay to support those who cannot or will not. Support for cases of hardship will come through voluntary contributions and fundraising.

8.2 Parents who would qualify for support are those who are in receipt of eligible benefits

8.3 The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents.

9. Music tuition

9.1 In cases of hardship the Governors will consider in their absolute discretion the remission of fees (either in full or in part) for those pupils who they consider will benefit from such tuition.
