Working together, achieving more

Woodlands Mission Statement

Our Mission

At Woodlands we intend for our children to be academically socially and emotionally prepared for the next phase of their education in the United Kingdom and the world. Woodlands aims to provide a happy, caring, secure and stimulating community to enable all children to realise their full potential.

Our Vision

At Woodlands Primary School we value our children as individuals with their own personal attributes for learning. Through our rich and engaging academic curriculum, we aim to broaden horizons and encourage our children to actively participate in the world around them; allowing them to develop the moral compass required to make positive choices to succeed and *lead fulfilling lives with the highest of aspirations.*

Our Aims

Our wish is that a child at Woodlands will:

- be respectful, honest and well-behaved
- be independent and confident learner who knows how to approach problems

- achieve their potential both educationally and socially
- have a global understanding of the world we live in
- have belief in themselves and their ability to achieve their full potential
